Af	ecial Assistan	t to Secretary Haig cy personnel. The m	and Coordinator	p between John Warnock, for International Lab stively scheduled for	or
2. Mr. Warnock is interested in meeting with analytical side of Agency to discuss activities of Socialist and Communist Labor Organizations. Mr. Warnock holds thesis that a significant amount of policy coordination takes place between the national labor movements in a number of fora which adversely affects U.S. interests. Little analytical work has been done, however, in pulling together what information is now available on these activities. Mr. Warnock is interested in discussing issue with analysts and learning of our capacity in this area.					
3. Mr. Warnock has been in DOS labor field for many years and was Labor Counselor at Paris where I met him. His knowledge of the issues and players is very extensive and has been supportive of Agency work.					
4. Attending the meeting will be D/EURA and selected NFAC analysts. I have also extended courtesy invites					25X1
to with whom Mr. Warnock had met earlier this year to discuss the requirements side of this matter.					25X1
